We're totally rocking the SCRIP program!

Thank you to everyone for participating in the Raise Right/Scrip program. **We've raised over \$200 for the team so far THIS YEAR!** And that's not including the money going into family accounts. So YES, it's worth signing up!!

If you haven't done so already, it takes about two minutes to sign up. Here's how —

- Go to raiseright.com
- "join an existing program" and enter our team code: **L2L64A4D224L8**
- Enter your name. Then, under "who are you earning for," enter your swimmer's name.
- Follow the instructions on the next three screens and you're done!

When you buy a gift card 25% of the earnings go to the team and 75% go to your family's Wave account. That money adds up!

The best part is that you'll be putting money in your account when you buy gift cards for places you shop anyway!

P.s. Grandparents and other family members are welcome to sign up as well. Use our team code.

You are doing
GREAT!

Set-Up Text Messaging

Life is full of changes and our swim team schedule is no exception. We are at the mercy of the high school pools that we contract with, and things come up. We try to relay changes to you as soon as we find out. Sometimes that is at the last minute, so we appreciate your patience.

Are you signed up for text messaging? If you are not, please refer to the [instructions on our website](#). If a schedule or pool space changes, we will always send out an email, a text message and we try to post to the Wave Parent Facebook page. Please make sure you are signed up for all!

Note: If you change cellular carriers, you'll need to reconfirm your phone number in order to continue receiving texts.
