

MARCH 2025

FINANCIAL UPDATE

Costs have risen ~\$40,000 above our budget this year.

Major drivers:

- 45% - All three Appleton Area School District (AASD) pool fees doubled
- 35% - No longer able to use AASD weight rooms due to policy change
- 20% - Increased meet attendance means higher coaching costs

We expect these costs to be ongoing
in addition to general increases of other team costs.

CHANGES BEGINNING SPRING 2025

These changes will ensure our team continues to be strong into the future!
