Coach Corner

Summer is a short season with a lot of deadlines. Please keep an eye of registration deadlines for meets. WI swimming has become very strict about late entries.

The summer pool schedule is out and shouldn't change once we start the season, but please be prepared for sudden changes as anything can pop up.

Safe Sport

The Wave is working on becoming a Safe Sport certified team! We are almost there, but we need swimmers and parents to participate. Right now we have 35% athlete participation and 18% parent participation. We need both to be at 50% by July 1st. Here's what to do:

Swimmers (ages 13-17)

If your swimmer is 13-17 years old they should have received instructions on taking their Safe Sport for Young Athletes course. Please have swimmers do this as soon as possible.

Parents

Parents, you also need to complete your Safe Sport course as soon as possible. Meghan sent the info you need in an email, but if you need additional help, please contact admin@foxvalleywave.org.

You can find info on Safe Sport on our website under the Safe Sport tab in the menu bar.

Team Apparel

You can order directly through our team website on Elsmore and have your orders shipped directly to your house any time of year!

Officials Needed

In order to run our meets, we need officials and YOU can help! The Wave will cover your certification fees and provide volunteer credit for the hours you work at meets. Please reach out to president@foxvalleywave.org for more info. You can also read more about becoming an official [here](#).
