

**Greater Green Bay YMCA**  
**Raise Right (Scrip) Fundraising Program**

**How Does Raise Right Benefit Me?**

Raise Right partners with retailers. You can buy physical gift cards, electronic gift cards, and shop online through the app or web browser. Each time you do one of these things a percentage is automatically donated to your child's account. The money is added to your escrow account monthly and can be used to pay for things like swim meet fees, team social events, and even your monthly swim registration.

**How do I sign-up?**

Visit <https://www.raiseright.com/> and complete the sign-up steps.

1. Click GET STARTED
2. Join an Existing Program with the enrollment code 7C45E3DE33963
3. Follow the steps to finish the registration process.
  - a. Identify the organization as GBY Swim
  - b. Enter your swimmer's name so the money goes into your escrow

**How do I pay for the gift cards?**

You can create payment options in your account. You can connect to a credit card (3% fee), debit card (1% fee), or bank account (\$0.29 fee).. When you shop online through the Raise Right app, the app routes directly to that website so you simply use whatever form of payment you typically use for that purchase.

**Where and when do I pick up physical gift cards?**

Order for physical gift cards get processed by the coordinator, Robin Schmidt. Robin is also the Gymnastics Team coach but this will go into your swim escrow account. This typically takes place on the 1st and 3rd Sunday of each month at 7 PM. Orders will be ready for pick-up beginning 8 days after the Sunday order. Cards are typically held behind the front desk at the Ferguson Y. You can also check in with Robin at the YMCA Mondays 4-7pm and Thursdays 4-7 pm or email her - [robin.schmit@greenbayymca.org](mailto:robin.schmit@greenbayymca.org).

**Tips to Strengthen Earnings!**

- Invite others to join RaiseRight and connect to your child's account. Their spending means earnings for you.
- Before going to the checkout at a store, check the app. and buy an e-Gift card for the amount of your purchase. The e-gift card will be in your wallet by the time you check out.
- Watch for specials and bonuses from retailers. Purchase gift cards to your favorite places when you can get a bigger percentage back.
- Earn money on travel. Book hotels, cars, flights, cruises, VRBO, etc
- Shop online through the app and use a Raise Right gift card to pay and earn both percentages on one purchase!
