

UW Health Research Park Swimmer Information Fall 2022

Parents and Swimmers please read through this information completely prior to your first practice. Please note that UW Health clinic operations are in effect until 9pm. Be aware of patients checking in when entering the facility and proceed quietly to the pool area.

- Swimmers should enter through the UW Health Research Park main clinic entrance no more than 10 minutes before practice time
- Locker rooms are not available for changing. Swimmers should arrive ready to swim and leave immediately after practice ends
- Please be aware of patients and other pool users on deck and in the warm pool
- While in the UW Health facility and on deck, everyone will wear a medical grade barrier mask until pool activity begins
- Only swimmers are allowed in the facility. No family members or visitors
- A designated area will be provided on deck for personal items but please limit what you bring
- Swimmers will exit the facility through the West pool doors immediately following practice

If you are experiencing any of the following symptoms and/or answer YES to any of the questions, do not come to the Aquatic Center

- Any new or unexplained symptoms of fever, chills, cough, shortness of breath, runny nose, sore throat, severe fatigue/exhaustion, muscle pain, loss of taste and/or smell, headache, nausea/vomiting, or diarrhea
- In the last 14 days, have you had close contact with a person who has had COVID-19 confirmed by a lab test?
- Have you had a POSITIVE nose/mouth swab test for COVID-19 in the last 10 days?
