FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Dear Parent/Guardians,

We are looking forward to another wonderful season! To ensure that everyone who participates in the program has the best possible experience, we are asking that every swimmer, parent/guardian signs a behavior agreement. Our policy for dealing with behavior instances is as follows:

1. Verbal Warning
2. Logical Consequence
3. Behavior Report, Call Home, & Consequence
4. After three behavior incidents - possible suspension & meeting with family, child, & staff

****If behavior is severe, staff will skip steps accordingly.****

Following suspension from the team there will only be one verbal warning before termination from the team for the remainder of the season or at the coaches discretion.

Examples of severe behavior include but are not limited to:

- Bullying
- Failure to follow staff instructions thereby resulting in situations that put themselves, other children, or staff in physical danger
- Behavior that is constantly interfering with the quality of program that other children are receiving
- Physical abuse of any kind including hitting, kicking, biting or pushing another child or staff member
- Verbal abuse of the other children or of staff
- Misuse of facility and provided materials

****Severe behavior issues that continue to be an ongoing problem will result in termination from program.***
