As a condition of acceptance and approval, we require compliance and acceptance of the following policies:

1. Approved Home Club coaches & Associates Coaches must be registered members of TFSC/USFSA.
2. Approved coaches will encourage new skaters to join TFSC. Any effort to encourage skaters to join other clubs as a Home Club member, transfer or changes membership of present members to another Home Club, will be considered injurious to the TFSC and can result in suspension and termination of teaching privileges.
3. Approved coaches are expected to promote and support the use of the TFSC ice time (Club sessions).
4. Approved coaches are expected to have their skaters participate in our exhibitions, shows, and competitions. Coaches themselves are expected to personally participate and support our exhibitions, shows, and competitions.
5. Approved coaches are expected on the ice to bear the responsibility of a positive training environment and the safety of ALL skaters.
6. Newly approved coaches will be reviewed at the conclusion of a probationary period of 6 months by the board.

All coaches applying must give two references.

Anything that occurred in another facility that the applying coach would want TFSC to be aware of? If so, please state.

The TFSC Board of Directors reserves the right to make the final decision, by majority vote, as to approval of any coach.

All of the information as listed on the application is required from each coach applying and is necessary in order to consider for approval to coach and to minimize any legal action concerning the Timberline Figure Skating Club's liability.

Failure to provide truthful and accurate information in this application could result in the loss of coaching privileges or other appropriate action as deemed necessary by the Board of Directors of Timberline Figure Skating Club.

Any of the preceding information regarding personal skating credentials will be provided to any person, student / parent considering your services upon request.

Any exceptions taken to any of the above stated policies will be in non-compliance.

The above information is true and accurate to the best of my knowledge.
