

Schroeder YMCA Swim Team

1. 2012 Olympic Trials are in full swing! The venue is fantastic again and the coverage on NBC is great! Yesterday was full of ups and downs. We were super stoked when Adam and Mitch advanced to the semi-final and disappointed when both men didn't improve over their prelim swims but it wasn't for lack of effort. These guys are great athletes and champions. SSTY enjoyed a day off today but we have Mitch, Adam and Steve all going in the 100 M Free which goes off at 10:00 AM. Read all of the articles on the new website related to Schroeder's athletes at the Trials.

2. We have activated a [new website](#). Team Unify is a company that provides a single platform for many of the needs of a swim team. The old site will be "turned off" soon and you will be redirected to the new one. All of the functionality of the new site is not yet activated. Soon you will be able to login and complete your family's information. Stay tuned!

<https://www.teamunify.com/Home.jsp?tabid=0&team=wiwsac>

3. Read more about [A Day with Olympian & Triple Gold Medalist Josh Davis](#) and [Have Olympian Matt Grevers Over for Dinner](#). These two unique silent auction items began at the golf outing and will close prior to the end of Olympic Trials. Both Josh and Matt are here in Omaha. Tonight Matt Grevers is attempting to gain a spot on the team in the 100 M Back.
4. Meet Entries are due for the Silver State Meet - [due on July 3rd](#). The Silver State meet is the last chance to qualify for either the 12 & U or the 13 & O State meets and is a great meet for everyone who does not have State meet time standards. The Silver State meet is at Waukesha South HS and is conducted in 25 yards.

the Venue: Think Schroeder in the Bradley Center
