3. Meet Entries for the Silver State Meet - were [due on July 3rd](#). The Silver State meet is the last chance to qualify for either the 12 & U or the 13 & O State meets and is a great meet for everyone who does not have State meet time standards. The Silver State meet is at Waukesha South HS and is conducted in 25 yards.
4. Meet information / links have been set up for the 12 & U and 13 & O State Champ meets. Meet entry for [12 & U is due Monday, July 16](#).
5. The Olympic Trials in Omaha, Nebraska were great! A week-long celebration of American Swimming included many highlights and high visibility for swimming on primetime television. Briefly, Adam and Mitchell made the semi-final in the 100 M back, Steve was 20th in the 100 M free and 34th in the 50 M free. Carl was 42nd in the 200 M back. Alex raced the 100 Free and swam to her 5th fastest time. Scan the [NEWS section](#) of the website for links to photos and video of the 100 M backs. Many SSTY swimmers and their families traveled to Nebraska to take in the event and all were blown away by the spectacle!
6. Sad news: Paralympic Trials Qualifier, Jeff Valodine was struck by a car last week and is recovering at Children's Hospital. He is doing better and is stable but he did suffer many fractures. Jeff is welcoming visitors!
7. [Fall I & II Super Stars](#) is ready for sign ups. Learn more or recommend to a future Schroeder great!
