

Schroeder YMCA Swim Team

1. USA Junior National Swimming Championships are happening right now in Indianapolis, IN. Yesterday, Alex Meyers finished 6th in the 100 M Free and Nick Petersen and Abigail Raatz also saw action in the 100 M Free. [Read more](#)
2. US Open finished last week and Schroeder finished 14th in Combined Team Scoring. SSTY medaled in both relays 4 x 100 Free and Medley and Cassy Jernberg capped an amazing summer with a 9th place finish in the 1500. Adam was 4th in the 100 M Back and Carl and Alex both got second swims! [Read more](#)
3. Yesterday, Matt sent a note out announcing a new Training Groups Structure and the announcement of our newest staff member: Harmilee Cousin III. Please review the information and join Matt and I in welcoming Harmilee to Schroeder!
4. The meet schedule, practice schedule and swim team handbook have been updated and are available on our site. **If you have feedback about the new website, would you please mail or call Dave? I'm interested in making it as friendly and practical as possible.**
5. After a full break for most of the team, maintenance practices have begun. Practices will be Monday, Wednesday and Thursday from 4:00 - 5:30 PM and started up on 8/13. These will be on-going until we restart programs on Monday, September 10.
6. Swimmers and their families are encouraged to begin to sign / login into the new website and to begin to complete profile information. Please add email addresses and mobile numbers to receive text alerts for pool closings, etc.
 1. 1st set up your account from a computer - go to the team site: wsacitd.org
 2. in the left tool bar at the top click on SIGN IN
 3. enter your email address (if you are like most families you have several but there is one that you have given us in the past and it's probably that one)
 4. you'll have to reset your password and it will be mailed to that email address
 5. this should allow you access to your swimmer(s)' info on our website and other options about billing, meet entry and meet work requirements that are not functional yet.
 6. If you would like to set up the Team Unify app on your phone or tablet continue on below

7. you should now be ready for the handheld app. from your phone, search the web for “TeamUnify app” and you should be able to find the app for android or iPhone - searching the web seems faster than the app store.
8. enter your email address, password and then in the 3rd box the team alias is: wiwsac
9. you should be able to get a fair amount of useful information
10. if you do have trouble please do not hesitate to ask.
