

Dear \_\_\_\_\_

I'm helping to raise money for my swim team, **the YMCA of the Chippewa Valley Barracudas**. We're working hard and planning our **25th Annual Fairfax Invitational Swim Meet**, scheduled for **June 25-26, 2022**. The swim meet is our main fundraiser of the year. **Would you please consider being a sponsor?**

Your donation supports my team during the upcoming summer and winter swim seasons. It helps with necessary equipment upgrades, maintenance, additional coaches, training for our coaching staff, and pool rental time. Additionally, our Fairfax Invitational has grown into a top-notch sporting event supporting Chippewa Valley swimming. It is a unique outdoor event in Eau Claire that attracts hundreds of swimmers from the Midwest. Please help make our swim meet and team a success throughout the year by donating. I've been a member of the YMCA swim team since \_\_\_\_\_.

One of my favorite things about being on the swim team is \_\_\_\_\_
