

Late Fees

You are responsible for all swim fees, meet entry fees, USA Swimming annual registration fees, team caps, apparel and equipment that you incur. Billing summaries are e-mailed on the 15th of each month with a reminder sent 2 days before the end of the month. Payment is due by the 1st of the following month. If you do not pay any fee in full by the due date you will be charged a \$15 late fee. If your balance is outstanding fifteen (15) days after the due date, your athlete will not be allowed to practice or compete until you have paid all outstanding amounts, including late payment fees.

If your payment is late twice in any one season, you then have five (5) days after the due date instead of fifteen (15) before your athlete will not be allowed to practice and your late fee for the rest of the season will be \$25 (for the third and future late payments).
