Who is **F.A.S.T?**

The Fort Atkinson Swim Team is a United States Swimming (USA) registered swim team providing quality swimming programs for Fort Atkinson and the surrounding communities. FAST began back in 1968 and today is one of the oldest age group swimming organizations in the state of Wisconsin.

The FAST club exists to benefit all swimmers, not just the highly skilled, but swimmers who show a willing interest in training and competing in age group swimming.

The swimmers that participate in a USA registered club develop skills in goal setting, team unity, and become familiar with making a commitment to reaching goals. FAST is strongly committed to assisting all members of our club in reaching their potential and becoming outstanding community members.

Why be a Sponsor?

Sponsoring our team is not only a great way to get involved with the community; it's also an amazing form of marketing for your business. The swim community is a tight-knit community all over Wisconsin and the United States, with athletes from everywhere and all different backgrounds. Supporting a community team is a great way to show Fort Atkinson and all of Southern Wisconsin you get involved with your local community.
