LCM = Long Course Meters (Olympic sized)

\*\* For the FAST Home Meet all families are required to volunteer or pay \$50 fee as stated in paperwork at the beginning of the session; families are required to do so if their swimmers choose to swim or not.

If any meets are added or removed from our schedule you will receive an email from the team. To sign up for your races for each swim meet, sign into your TeamUnify account on the FAST website. Under the Events tab you will find the swim meets and once you click on the meet it will show the races your child is eligible for.

If you signed up for a swim meet and then do not attend, there will be a \$25 cancellation fee unless a doctor's note is provided.
