Old Business

- Summer Schedule - schedules are posted on the FSC website.
- Taylor Pool heaters are currently not working - Tammy is getting more details this week
 - May have to consider canceling June Home Meet if we are not given an adequate timeline on fixing the heaters at Taylor. Water temp needs to be 78 degrees and above to swim. Making a final decision by Thursday 6/5. We want to make sure we give teams who planned to come to our meet enough time to register for other meets in the area. Also gives us time to register for an away meet that weekend.
 - Practice location/ time may change for morning practices until the heaters are fixed. Fairgrounds pool? Details will come once we know more
- Still looking for another Assistant Head Coach to replace Amanda
- Culvers Night - great turnout of swimmers and families. Profit \$450 (\$50 more than the last time) Thursday night seemed to be a good night to do this.

New Business

- Fundraising - A&W Night - looking at Tuesday or Thursday night in July - Jodi will call them for dates
