

Short Course 2023-24 Parent Meet Worker Agreement

During the upcoming 2023-24 short course season, Lake Country Swim Team (LCST) plans to host the following meets. The following chart shows the meet worker responsibilities for LCST families. All dates are subject to change based on current pandemic conditions.

Meet	Date	Location	Only if swimmer participates	Mandatory For All Families
LAKE Senior Meet	October 6, 2023	Arrowhead High School	X	
Single Age Meet	October 7, 2023	Arrowhead High School	X	
Western Great Lakes Open (WGLO)	November 17-19, 2023	Walter Schroeder Aquatics Center		X
February Freeze	February 10-11, 2024	Walter Schroeder Aquatic Center	X	
Wisconsin Senior State Championship Meet	February 23-25, 2024	Walter Schroeder Aquatics Center		X

Please read the [full meet worker](#) policy available on the team's website. Click on "Current Season and Info" and look under Forms & Documents. It describes the meet worker rationale, obligations and sign up process for each of these meets.

Mandatory Meets - All families must provide workers (even if your swimmer is not involved in the meet or withdraws from the team before the end of the season). The number of work sessions for each mandatory meet will be determined by the Board of Directors. *Exception: Swimmers who **START THE SEASON** in our Novice program (PCSC or Ribbon) and advance to our Age Group Bronze or Super 8 program during the season will receive a reduced requirement for the first mandatory meet after their advancement.*

If you are unable to work the required number of sessions for a meet, you will be charged a "buyout fee." Buyout fees range from \$40-\$100 per session. Signing up to work a session and then not showing up results in a charge of two times the session buyout fee.

Questions can be directed to: Mark Kohnhorst (coachkohn@sbcglobal.net).

I have read the LCST Parent Meet Worker Policy and understand our family's meet worker obligations. We will pay the penalties if not in compliance with the policy.
