

Team Suit and Group Equipment

Your swim team registration fees include a team suit and cap (non-personalized).

To claim your suit, go to the team store linked on the left side of our home page. The available suits are shown for sale on that page. To claim your suit, click on the link at the top of the page and enter the required information - **DO NOT ORDER THE SUIT FOR SALE, GO THROUGH THE LINK TO CLAIM YOUR TEAM SUIT AND CAP.**

***If you do not know what size to order, please visit our Oconomowoc location or contact Coach Kohnhorst to be fit. Custom printed team items are not able to be returned or exchanged.*

Also, regarding the sizes of these suits, they are not consistent with the Speedo brand, they run larger, meaning you will likely have to size down to get the right fit.
