

December News

Happy December Swim Families! As we dive into December, we want to extend a heartfelt thank you to all the families who came out to support our Noodles fundraiser! Your enthusiasm and generosity make a tremendous difference for our program. Our swimmers have been on fire this season, with many achieving impressive new best times at recent meets, showcasing their hard work and dedication in the water. We're also thrilled to celebrate our seniors who officially signed with their colleges on National Signing Day - an incredible milestone and a testament to their commitment both academically and athletically. Congratulations, and thank you all for helping make this such an exciting month for our team!

We are proud to announce that WYNS has officially partnered with Arena, one of the world's leading performance and equipment brands! Their mission is to promote an active lifestyle in and by the water through innovative and high quality products. Arena's commitment to performance and development aligns perfectly with our mission to provide a supportive, growth-focused environment for every swimmer to reach their highest potential.

There are three meet deadlines coming up! You can find more information and declare whether your swimmer is attending all meets on our event page.

- The Door County Y Jingle Bell meet is a festive, one day closed Y meet for all levels of swimmers. Please declare yes or no by Wednesday, December 3.
- Single Age State Championship for qualified 12 & under swimmers is in Racine this year and the deadline to declare is Sunday, December 7.
- The STORM Winter Classic meet is a two day meet for USA Registered swimmers in Sun Prairie. Please declare yes or no by Thursday, December 11.

WYNS Winter Weather - with the arrival of winter weather, please keep an eye on your email for practice cancellation updates. As soon as a cancellation decision about practice is made, an email to the team will go out. However, please always use your own discretion if you feel comfortable with you or your swimmer driving to practice.

WI Swimming is asking families to please renew your swimmer's USA Registration by December 15. This will ensure that your swimmer is in good standing and able to participate in meets going into the new year. If you have any questions about USA Registration, how to renew, or if your swimmer should be USA Registered please email swimwyns@gmail.com.

We need your pictures! Help us to celebrate and promote our swim program by sending any pictures and stories you would be okay with being shared on our various social media pages. Email them to swimwyns@gmail.com
