

November News

When the days get shorter and the competition season heats up we know our season is in full swing! November brings exciting meets and opportunities to celebrate the hard work our swimmers have been putting in so far.

November also brings back our girls Middle School and High School swimmers! As we welcome them back and also say goodbye to our boys Middle School and High School swimmers, there will be a transition with the number of swimmers in each lane. If practice schedule changes are needed to adjust, they will be emailed to the specific groups and updated on our website.

Turkey Splash was smooth and successful and that is due to the help and support from our families! Thank you for all the ways you participated from set up to clean up. We couldn't host meets without coming together as a team and your help is appreciated.

We crowned a new winner for our 3rd Annual Chili Cook Off! Congratulations to Brad Roth for winning the chili crown for the 1st place chili! Thank you to Katie Stewart with Buster Blu Creative who made and donated the incredible prizes and thank you to everyone who cooked chili, donated items for the cook off, and tasted and voted for chili!

The Used Gear Sale and Chili Cook Off fundraisers raised over \$1000 for the team! Special shout out and thank you to Ashely Zarda and Courtney Burger who put in a lot of time and effort to make those happen!

Noodles Night!! Mark your calendars for Wednesday, November 12 as it's WYNS Night at the Noodles & Co. on Stewart Ave. in Wausau. Ten Percent of all sales (dine in, mobile orders, and gift-cards) from 4:00-9:00 pm goes to WYNS which makes this an easy and delicious fundraiser for the team.

During the week of Thanksgiving there will be some practice changes. On Monday and Tuesday (Nov 24 and 25) all groups will have regular scheduled practices. On Wednesday and Friday (Nov 26 and 28) only HS, Plat Senior, Prep, and AG will have practice. The time and location of practice will be emailed later in the month. Saturday, November 29 will be back to regular scheduled practices.

Meet Deadlines! The deadlines to register your swimmer for the OSHY and Y Finalist meets are approaching fast so please declare if your swimmer will be attending. These are both YMCA meets and your swimmer does not have to be USA Registered. Please email swimwyns@gmail.com if you have any questions about the meets.

USA Registration - please remember to renew your swimmer's USA Registration before the end of the year. If you have any questions about USA Registration, how to renew, or if your swimmer should be USA Registered please email swimwyns@gmail.com.

Whether your athlete is gearing up for their first competition or chasing new personal bests, we're proud of the effort, dedication, and sportsmanship we see every day on deck. Let's keep the momentum going and finish the fall strong—go WYNS!
