END OF THE SEASON BANQUET

Our end of the year banquet will be on Friday, April 4, 2008. It will be held at the White Palace. Doors will open at 6 PM. There will be a slide show and awards along with a great dinner. It is a fun way to finish the season and give recognition for all of the hard work the swimmers have done throughout the last several months. Look online and in your folders this week for reservation papers. If you have any questions, please contact Michelle Runkle at 304-233-1428.

PRACTICE REMINDERS

All swimmers will be practicing at Linsly from now until the end of the season. The Cardinal South swimmers will join us after the 28th. Please check the practice schedule for any time or day changes. Also, any swimmers who practice after zones will be charged for summer swimming. We have yet to determine the breakdown of payments for the summer season. There will be an announcement and papers regarding summer Y at the banquet.

Y CARDS AND INSTRUCTIONAL FEES

If you do not have an actual blue YMCA card by now please contact Nettie Gavorcik at 740-546-4133 immediately. You **must** have a current Y card in order to participate at Clusters. Also, all instructional fees must be paid up before Clusters. Bills were sent out to homes this week. If you have any questions regarding your statement, contact Nettie.
