Dear Swimmers and Parents,

Please note that there are recurring fees that each swimmer must pay to be active in the CKATs organization. I have summarized the various fees below:

- Monthly Tuition Fee – If a swimmer participates in a single scheduled CKATs workout during any month, the swimmer will be assessed the entire monthly tuition fee. No sibling discount, just a flat rate. **All accounts will be required to have a bank ACH or credit card on file.** Those instructions will be sent out as soon as everybody is signed up. If the swimmer wants to compete in USA Swimming sanctioned events, but would rather workout with the high school, middle school, or independently and does not practice with CKATs, then no monthly tuition will be charged. All tuition will be posted at the beginning of each month.

Tuition Structure for 2023/2024 Swim Season

Juniors Monday, Tuesday, and Thursday 6:00-7:15PM

3 days/week - \$60/month

Seniors Monday, Tuesday, Wednesday, Thursday 6:00-8:00 pm

4 days/week - \$80/month

Please note that with the ever changing COVID-19 crisis the swim schedule and tuition fees may change. However, we must follow the Cody Rec Centers guidelines and restrictions on the pool.

- USA Swimming Registration – All athletes that participate in USA Swimming are required to have a current USA Swimming card. Valid cards are required to participate in workouts, meets, and even to register for a meet. Please note that all registrations and annual renewals must be processed by USA Swimming. All current USA Swimming membership cards expire in December, so please pay your (\$75.00) registration fee by November 1, 2023 so that you are still eligible to participate in 2023-2024. **There is a new process used to register swimmers online through SWIMS 3.0. Please loginto your account and make sure its still active**
- Prospective Swimmers – A prospective swimmer may workout once/season with the CKATs team to get acquainted with our program. A prospective swimmer will not be assessed any fee or be required to have a USA Swimming Card.
- Scholarship – Tuition relief may be awarded to applicants with demonstrated circumstantial or financial needs. Please contact a CKATs Board Member for more information.

In addition to the recurring charges above, each swim meet will typically have the following fees, which must be paid with your meet entry as they become due:

- Swimmer Surcharge fee – This is a mandatory (\$7.00) fee assessed by the USA Swimming - Wyoming state organization for each swimmer that participates in a meet.
- Facility Use Fee – Some venues will charge a facility use fee as disclosed on the meet registration form. This fee will be assessed for each swimmer participating, as applicable.

- Event Entry Fee – Again, the actual fee/event varies by the venue. The CKATs organization will pay the entry fee for all relay teams. Individual event fees must be paid by the swimmer.

As Treasurer, it is my responsibility to pay all meet and USA Swimming registration fees by the specified due dates. I am required to submit payment for meet and registration fees with a single check from the CKATs account. For this reason, it is important that I receive your payment for USA Swimming, tuition, and meet fees in a timely manner. Please mail your fees to the address above, or leave them at the Rec Center front desk, addressed to my attention at CKATs – don't leave fee payments with Coach. Should you have any questions, please contact me at 250-3780.

Thank you ... and Go CKATS!!
Mary Sims – Treasurer
