

Highlands Ranch Aquatics, a USA-Swimming Silver Medal Team located on the south side of Denver, is growing and looking to add one or more assistant coaches. The ideal candidate(s) will be knowledgeable in stroke mechanics and have strong teaching and communication skills. The individual will also be patient and team-oriented. These are part-time lead or assistant coach positions depending on experience.

The coach duties may consist of leading one to two groups within the organization, coaching high school age swimmers and/or swimmers between the age of 8 and 13 depending on preference and experience. The applicant must understand the importance of teamwork and will be committed to helping our program advance. This is a part-time hourly position with competitive pay, professional development opportunities, and primary coaching hours in the afternoon/evening during the weekdays plus meets and weekend practice sessions.

Qualifications

Successfully pass the USA Swimming background checks; current USA-Swimming certifications a plus.
