Greetings Inland Empire Swimming,

It is with great pleasure that I congratulate your entire LSC on completing the LEAP program. Thank you for your efforts to highlight your areas of strength and hopefully as a result the LSC discovered a few areas for improvement.

I have officially designated your LSC as successfully completing LEAP, a requirement to maintain compliance with the LSC Affiliation Agreement. Your LSC will need to renew LEAP next by March 31, 2024.
