Repeated the discussion on the DEI annual fee becoming the WZ Program Fee. Again, decision to be made by a motion/discussion/vote at HOD.

All funds are in one general fund within USA Swimming, regardless of how it has been earmarked.

Budget proposals for appropriating funds for the next fiscal year, should be submitted to the executive board for review.

Note that the \$9227 CA/NV Section money will be dispersed to those LSC's this summer.

Terms ending on the board this Fall, Mike will send out a request for candidates for the open board positions:

Non-coach Director
Championship Coordinator

Additionally, he will send out reminders to LSCs about submitting their voting delegates via the links Lisa has sent him.

Reports from the board members are needed for posting on the website prior to HOD.

A meeting of the full board – date TBD, will be scheduled soon.
