Meet Surcharge:

The short course meet was not currently supported by USA Swimming. The committee worked with the Zone Board to enact a change to the stated surcharge fees for the three zone meets (Age Group, Senior SCY and Senior LCM). The additional funds raised via this surcharge will be used to provide the Senior SCY Championship meet with the same \$10,000 stipend as the other two events.

Committee Discussions:

In addition to meet preparation, the committee spent time discussing quadrennial calendar for finding and naming meet hosts for the Senior Zone SCY Championship meet. An RFP process was created and posted on the Western Zone website. Bids have been procured for 2026-2029, with meets being awarded for 2026 and 2027.

Future Meet Bids:

2026 Western Zone Senior SCY Championships – March 19-22, 2026

- Selected Host: Mesa, AZ

2027 Western Zone Senior SCY Championships – March 24-27, 2027

- Selected Host: Boise, ID

Respectfully Submitted,
