

Zone Director's Report September, 2025

The Summer 2025 championship meet season has officially concluded, and it was another exciting finish that showcased the hard work and dedication of our athletes.

We kicked off the season with the **Short Course Senior Zone Championships** on April 2nd in **St. George, Utah**. The meet was a fantastic success and set the tone for the rest of the season.

The **Western Zone Senior Long Course Championships** were held in **Clovis, California**, with **Clovis West High School** serving as the championship venue. Hosted by **Clovis Swim Club**, this flagship Senior Zone meet continues to set a high standard year after year.

In **Elk Grove, California**, the **Age Group Western Zone Meet** delivered another exciting competition. Looking ahead, the **Western Zone Open Water Championships** are scheduled for **Saturday, September 28**, and we are confident that **Coronado Swim Team Elite** will host another outstanding championship event.

This year, the Western Zone implemented a **\$5 surcharge** for all WZ meets. These funds will be used to support and equally benefit all Senior Zone-run competitions.
