Required by Oregon Swimming before on deck

- Register with USA Swimming (pay fee)
- Complete background check
- Complete Athlete Protection Training
- Complete Concussion Protocol Training

Best practices (before on deck):

- Foundations of Officiating clinic
- Stroke and Turn module or Administrative Officials clinic
- Apprentice official should reach out to meet referee for training.
- Meet referee should encourage completion of all steps prior to on deck training.
- Meet Referee should review form and check in with apprentice before adding printed name.

Certification

$01/01/?? - 06/30/?? = 12/31/?? + 2 \text{ years}$

$07/01/?? - 12/31/?? = 12/31/?? + 3 \text{ years}$

All sessions worked as an apprentice should be entered into OTS. A best practice is to check OTS about week after a meet to ensure the meet referee has entered your sessions.
