OSI Chair Report - Shelly Rawding

Have been working with Danny and Debbie and we are looking for more volunteers to help organize the Age Group Select All Star Camp on April 25. Danny would like some help on determining the selection criteria – ideally soon. It would be good to send out to clubs this information in our newsletter by mid February if we can. We also need some help also finalizing location. Volunteers?

Have started working on a newsletter template – short, sweet, and to the point, to help disseminate timely information to clubs. And have started to work on finding people for a task force to look at Top 5 funding.

If you haven't taken the online leadership course yet (you do not need to repeat it if you have taken this in the past) please do so. <https://www.usaswimming.org/news-landing-page/2017/11/28/lsc-online-leadership-course>

Safe Sport Chair – Jacki Allender

Still trying to connect with someone from each team.

USA Swimming Safe Sport plans to roll out some new materials at the May Zone workshops.

Office Report – Debbie Laderoute
