V. Coaching Staff Notes:

- i. Swim Meets
 - 1. As we start a new season/year want to remind members that one of our biggest factor for swimmer transitions is meet attendance and timestandards.
 - 2. If your not attending meets on regular basis then going to higher groups will be harder to do.
- ii. Caps
 - 1. All swimmers at swim meets need to have team caps. We miss swimmers when they don't wear and also your not representing.
- iii. Entries
 - 1. When signing up for meets if your swimmers times look off please make sure to alert your swimmers coach. There may be an issue with the file that needs to be corrected.

VI. Practice Schedule Updates (EX: Changes/ Modified/Adjustments)

- 1. Pool Facilities
 - a. CRC and MMHS are locked in through Dec
 - i. There will be modifieds throughout the season due to water polo games and staff trainings
 - b. Other high school facilities
 - i. We are trying to get into one more pool to take pressure off the two we have and hopefully keep practices from going late
 - ii. Issues we are having is pools are either down or have high school programs using pools till 7 at night due to new high school schedule
 - c. Practices could continue to be week to week
- 2. Fridays
 - a. Stroke School, Precomp and Age Group Bronze will not have practices on Fridays. The attendance has been really low and due to this being a blackout day with CRC we will drop this day as a practice option.
