

Safe Sport met on Sunday, June 8th

The committee gave additional input on the drafted travel handout. Final edits are being made with the intention of emailing out to teams in the next couple of weeks.

Summer Championships:

Another stand alone poster will be designed to assist with the standard Safe Sport meet rules. This will be used at all future championship meets.

Working with the committee to develop an interactive way to engage athletes in learning more about Safe Sport with the opportunity to earn swag. There will also be color pages for all ages created by USA Swimming that athletes and attendees can learn about Safe Sport. Due to Summer Championships, the committee will meet two weeks earlier than our normally scheduled meeting. Please join us June 29th, 7pm
