

The meeting was called to order at 7:02p.m. on January 9, 2025. Lara Robertson, Kase Reckling, Ashlyn Mathes, Ricardo Villanueva, Kaitlin Diver, Sara Kearns, Eleanor Tippin, Iris Woltman, Katey Jacob, and Kiersten Lamb were present. Last month's minutes were approved with a motion made by Ashlyn, a second by Eleanor, and a vote by the committee.

We discussed the guest clinician for Top 5, Jacob Pebley, and we all agreed that he would be a good option for a speaker. There was a vote, and we approved him.

Then we moved into a discussion about the June trip. Collectively, we decided that we should forgo the June trip this year in order to have a more well planned trip in 2026. Discussion included making sure that we had a better timeline when planning trips for the future, and we think that making the trips every other year would allow for enough time to book, and properly plan, a trip.

Athlete fundraising ideas were also discussed. We thought that a raffle of some sort might be good at summer state. We discussed a 50/50 raffle, as well as a virtual raffle. The 50/50 raffle would be like a typical 50/50 raffle, and we could sell tickets at the concession stand. The virtual raffle (I believe it would just be a QR code that people would scan in order to enter) could be a good option for when we are in between events, but there are a lot of logistics involved with that. We could also ask businesses local to each of us to donate items to a virtual raffle.

We also discussed the upcoming elections, and we decided to stick with the process that we have been doing for the last couple of years. Kase, Lara, and Ashlyn also cleared up expectations of being on the board, and encouraged everyone to run.

The meeting was adjourned at 7:30p.m. with a motion made by Ashlyn, and a second by Katey.
