

Athlete Committee Report (May and the first couple weeks of June 2024)

We placed people on an Athlete Committee (yay!!). There are 12 athletes from around the state: Ricardo Villanueva (JHSR), Emma Walton (CCA), Sara Kearns (LAN), Kiersten Lamb (CASC), Kaitlin Diver (CKATS), Iris Woltman (LAN), Kayliegh Hood (CCA), Maren Tattersall (JHSR), Scarlett Jacob (BSC), Allie Lunstra (NSST), Aaron Lansing (SST), and Eleanor Tippin ().

We also placed a lot of different athletes on a lot of different committees. We got everyone going on the Olympic Trials Trip onto a committee, which is awesome. We added athletes to DEI (Nzelle Ayokosok, Shyrone AnesiShoyo, and Emma Jones), Safe Sport (Taylor Campbell, Vayda Havens, and Kiersten Lamb), Finance (Sadie Lebsock and Emma Jones), Senior (Bradley McKenzie and Ricardo Villanueva), Age Group (Brinlee Batson and Sadie Lebsock), and Fundraising (Emma Machado).

We discussed designs for Zones gear. Lara wants to implement the core values (S.U.I.T. U.P.) on the back of one of the shirts with a pocket design. Kase really likes the idea of using the vision statement (High Altitude, High Achievement) as well. Kase is determined to find shorts with big enough pockets to fit his phone because that is always the goal (duh). Ashlyn and Lara are leaning more towards athletic shorts this year.

We just set a date for monthly athlete committee meetings. The first Wednesday of every month. We will start those meetings in July.
