

DEI CHAIR REPORT

Codi Jorgensen

As far as I know, there wasn't a DEI meeting held last year with the last committee chair. I also don't have notes on any meetings from the last two chairs.

Last week I met with Leland and Hilary from USA-Swimming DEI and Mary Ellen. They were very helpful and we determined next steps for the coming few months.

My goal this year is to make all members of the LSC aware of the DEI committee and what we can offer our DEI and outreach members. Within the month of September, I plan to hold our first meeting with the new committee and schedule monthly meetings after that. I would also like to create a Flyer of information to email out to all members full of important information.

I am up for suggestions from other HOD members on ways to get this information out to stakeholders. Or other ideas of things I can be doing as the DEI committee chair.
