### **ADAPTIVE SWIMMING INCLUSION POLICY FOR SWIMMERS WITH DISABILITIES**

Under the authority of the USA Swimming Rules and Regulations, Wyoming Swimming has adopted the following policy to encourage swimmers with a disability to participate in WYSI meets. This policy will apply only to swimmers with disabilities as defined in the USA Swimming Rules and Regulations “a permanent physical or mental impairment that substantially limits one or more major life activities”.

For regular season meets and championship level meets, in accordance with USA Swimming Article 105 the Meet Referee has the authority to accommodate swimmers with disabilities as necessary and appropriate.

Additionally, for championship level meets, swimmers with disabilities are not required to meet the time standards for their age group events; however, they must have achieved an official time in an entered event. Classification of a swimmer’s disability is irrelevant. The Meet Referee shall have the authority to accommodate the swimmer without substantial negative impact on the timeline. Swimmers (or the swimmer’s coach) are responsible for notifying the Meet Director and Meet Referee at the time of entry submission if any special accommodations are required.
