

I have been swimming since I was 7 or 8 years old and fell in love with the sport. I am currently serving as an officer for my local FFA Chapter and am on the Athlete Committee for WYSI. I have loved serving in these positions that give me leadership opportunities that I can use to help other people as much as I can. Serving in these positions has had, and is continuing to have a huge impact on who I am and the person I hope to become. I am interested in becoming an Athlete Board Representative because there is so much that I can do in this position to help continue to make this organization one that young athletes will continue to fall in love with. I hope to learn as much as I can about the inner workings of WYSI and how other athletes can get involved. I hope to help other athletes be more involved and get connected in ways that they haven't before. I hope to help further this sport in whatever ways possible in our landlocked state. I hope that I can serve others as much as I can in this position. I aim to push S.U.I.T. U.P.! and show people how impactful Wyoming Swimming can be. I hope to make Wyoming Swimming a safe, fun, and accessible organizations for a diverse set of athletes. I am passionate about making connections and clear communication. I want to emphasize leadership and training opportunities available in Wyoming Swimming.
