Old Business

1. social media policy- **Committee agreed that it looked good no changes needed to be made.**

New Business

1. Meeting schedule

The committee agreed that February 15 and March 22 are convenient dates for our meetings.

The committee also agreed that during the March 22 meeting, we will set up additional meetings that best fit members' schedules.

2. Olympians/banquet

The committee reached a consensus that we would prefer the Olympians to swim with us rather than speak at the banquet if they are unable to do both. The committee felt that this option would provide a more meaningful and engaging experience for the athletes.

3. Summer trip

The committee agreed that hosting a clinic would be beneficial, as it would be closer to participants and require less travel.

Next Meeting:
