

My name is Maren Tattersall and I am a Junior in Highschool from Jackson Hole. I have swam on the Jackson Hole Stingrays for nine years and have been involved with Wyoming swimming since I was 7. I have had the opportunity to compete across the country in zones and sectional meets as well as traveling with team Wyoming. The swim community has helped me to grow my confidence as an athlete and as a person. I would appreciate having the opportunity to become the athlete representative so I can be more involved in the behind the scenes of Wyoming swimming. My goals as athlete rep would be to create more opportunities for younger athletes to connect with other LSC's and create friendships across the state. Some of my best swimming memory's have been traveling with team Wyoming and creating friendships with other people who have my same interest and passion for the sport. I would love to be athlete representative this coming year.
