

### **Meet Mary Ellen Tynan:**

I was introduced to the world of swimming when my oldest began competing on the Knollwood Laser Swim Team in Granger, IN. We moved to the Boston metropolitan area and he continued swimming with the Patriot Swim Club. When my daughter turned 6, she joined in. I quickly became the administrator of the team as the coach needed some help and it just grew from there. He nominated me for Secretary of New England Swimming which began my involvement at the LSC level. At that time I was hired to help in the NES office. USA Swimming came to me because Maine needed help and I worked with them for 9 years to grow their LSC and bring them into compliance with USA Swimming. In 2021 I realized I could help other LSCs too. My family is all in on the sport. My daughter currently swims on the Masters Team at UCSD, my husband announces swim meets and my son is the Assistant Men's Coach at Brown University.

Mary Ellen's experience includes:

- Patriot Swim Club Team Administration 2004-2019
- New England Swimming Secretary – 2008-2012
- New England Swimming Office Administration – 2009-2017
- Maine Swimming Executive Director – 2014-2023
- Solo Aquatics Team Registration and Administration – 2022-present
- USA Swimming LSC Development Committee – 2021-present (Chair 2024)
- LSC Administrative Consultant – 2021-present
- Administrative Official – 2024-present
