

Change to WYSI Section 9 Fee Schedule Policies and Procedures

Section A: Change athlete fee to \$8

Section C: Teams may not assess any other fees for any purpose, other than facility use. If a facility use fee is charged, a facility invoice must be provided with the financial report. Fees received must be equal to or less than fees charged. If fees received are in excess of fees charged then the overage must be paid to WYSI. IF the invoice is not provided and any overages are not paid, no further sanctions will be issued until this is paid.

Section D: Change title to Non-Championship Event Fees

Flat fees may only be charged for intra-squad, dual and tri-meets. Unattached swimmers do not factor into determination of the type of meet.
