Topic: Outreach program establishment

Attendance: Tracy Haling, Mary Ellen, Kaitlin Diver, Lara, Carrie Runnion, Jan Crompton, and Sammy DeClercq

Wyoming needs to get an outreach program to align with USA swimming regulations. Some clubs have one, but the state itself doesn't have one, yet. Some clubs, disabilities, free or reduced lunch, medicare, children of migrants, etc.

Someone else needs to verify that there is a need for the outreach program. The disabled athletes shouldn't be discriminated against, but the outreach program needs to be specific enough that certain people need it can get it, but inclusive enough that people who need it can get it.

Blanket programs, federal aid, free and reduced lunch, community assistants program that they qualify for? Depends where people live. Meet fees and travel fee

Come back in two weeks to decide more specifically.

We don't need to decide until the July HOD Meeting. Reach out to treasurer (Dan Diver) to see if there is any funds for an outreach scholarship.

Next time we meet, go through Montana's list piece by piece.

Reach out to clubs to get their input for kids in their area and things that should be included in the Outreach Policy.
