This is the unique registration ID for the swimmer within USA Swimming.

This registration ID consists of:

- Date of birth (mmddyy)
- First 3 letters of legal first name
- Middle initial
- First 4 letters of last name

In the event that there is no middle initial or not enough letters in the first or last name to fill the field, an asterisk is used. Special characters are removed.

For example, the registration ID of John Smith, born 09/23/1998 would be: 092398JOH*SMIT

- Click on “Enter meets”, select the swim meet you want to register for and click the orange button “Online meet entry”

5. Select the races that the coach recommended for the meet. Some meets will allow you to register for events where your swimmer has no time yet (shown as NT), some meets will not allow you to enter "NT". In that case ask your child's coach for an estimate and enter that estimate. (You can also find how to estimate your child's time in the handbook)

Meets > Bill Fisher Classic 2023 > Entries Summary > Event Entries

To enter an event, fill in the "Entry Time" box with the swimmer's best time. A blank entry time means the event will not be entered. If Swim Connection a swimmer's best times. Clicking on the "Get Best Times" button below will get all their best times or "Best" for individual events. "NT" is filled in for the wish to enter. Clicking "Clear Times" will erase all times below or "Clear" will erase individual times. A manual time can be entered by using the standard enter a time with the hundredths of seconds (e.g. 12450 converts to 1:24.50). Use "NT" to enter an event without an entry time.
