Water depth of the pool ranges from 10 feet 8 inches to 7 feet (minimum 5 feet required at start end). Lane width is 8 feet 3 inches. Colorado electronic timing systems will be used in all configurations.

The 4 lane, 25 yard program pool will be available for warm-up and warm-down throughout the meet and specifically for general warm-up for 10&U swimmers during the designated warm-up time in session 1 on Friday. The program pool will be open during competition for warm-down for only swimmers in that session.

The competition course has been certified in accordance with Rule 104.2.2C(4) of USA Swimming Rules and Regulations. A copy of the certification is on file with USA Swimming.

COACHES: Only currently registered USA Swimming coach members will be permitted on deck in designated areas. Each coach must sign the Coaches Meet Sign-In (APP-29) to verify that all certifications are current.

Deck Pass is acceptable proof of membership in USA Swimming. Coaches and Officials must produce proof of membership in USA Swimming immediately upon request by the Referee or their delegate or leave the pool deck.

WARM-UPS: The IASI mandatory warm-up procedure will be followed.

All swimmers must be under the supervision of a USA Swimming member-coach during warm-up, competition, and warm-down. The Referee may assist the swimmer in making arrangements for such supervision, but it is the swimmer's responsibility to ensure such arrangements are made prior to the start of the meet.

Facility rules require a 3 point, feet first, sit and slide entry for lanes designated for circle swim during warm-up and warm-down at the starting (south) end.

RACING STARTS: All swimmers entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water without the use of the backstroke ledge.
