Please Note: Meets in **BOLD** are Home Hosted meets requiring many volunteers. Please be prepared to help out

The January 11th & 12th meets are two separate YMCA ONLY meets. One will take place on Saturday and one on Sunday. Swimmers MUST have competed in a regular season YMCA meet to be eligible to compete in Sunday's 'Championship', per YUSA Rules. If a swimmer did not swim in the Virtual Meet on October 11-13, they MUST swim on Saturday January 11th to be eligible for Sunday's meet. Swimmers planning (or possibly planning) to attend YMCA Nationals MUST make every effort to swim in both of these meets. Y-USA eligibility requires participation in a minimum number of YMCA only competitions to eligible for YMCA Nationals Competition. Not swimming in one of these meets may put the swimmer at risk of being deemed ineligible for YMCA Nationals, regardless of time qualification.

**This schedule is subject to adjustment and changes. All changes will be **
communicated via email to registered team members.
