SWIMS DATABASE

Times from the following will be in SWIMS, the national times database.

- USA Swimming Sanctioned competition.
- USA Swimming Approved competition - Check two weeks before the competition to assure the meet has been approved by the LSC, and prior to the start of the competition, ask the Meet Director for the procedure for getting a time into SWIMS.
- USA Swimming Observed swims - Be sure a proper request for an Observed Swim is made according to guidelines appearing in the USA Swimming SWIMS Time Module Policy Manual, and prior to the start of the meet, verify that proper procedures are in place for the Observed swim.
- The time of any swimmer recorded while legally representing a USA Swimming club, secondary school, college, or university within the appropriate time frame, may be used in proving relay entry times. That swimmer does need to be entered in the championship in question or currently representing that club. Relay times belong to the team. Individual times belong to the swimmer.

Times submitted to the USA Swimming SWIMS database no later than twenty (20) days prior to the Championships will be in the database. If a time for a swimmer is visible in the public search feature on the USA Swimming website (Times/Time Standards) and it was swum in the appropriate qualifying period, it is considered a proven official time. Entry times not proven by the scratch deadline for the event will be considered as false or incorrect times and are subject to action under provisions of the

USA Swimming Rules and Regulations.

SWIMS data entry from meets in which time standards were met must be requested from the SWIMS Time Official in the LSC in which the meet was held. LSC officials may charge a fee for data entry requested after the meet ends. These times will not be automatically placed in the database. Times from all major international championships will be automatically entered in the database. Relay lead offs and/or intermediate split times must be requested from the SWIMS Time official in the LSC where the time was achieved. Requesting SWIMS data entry will not enter a swimmer into a competition nor place a club on the USA Swimming mailing list.

RESPONSIBILITY CLAUSE

He/she assumes all responsibility for false or incorrect times, or times which are unacceptable under USA Swimming rules, and shall be assessed a \$100 penalty, payable to Middle Atlantic Swimming, for each such time entered, unless absolved of the fine by Middle Atlantic Swimming or Administrative Review Board. Additional action or penalty may be taken or levied as deemed appropriate by Middle Atlantic Swimming. Such penalty shall also be levied against any USA Swimming verification officer who knowingly entered such a false time(s) into the SWIMS Database. Appeal of fines must be made to the Meet Referee or designee and/or Board of Review. - The qualifying standards for bonus events shall be the Meet qualifying time plus .5 seconds per 50 of event;
- No bonus swims for events 400 and above.

NEW: 50's Of Stroke

There are no qualifying standards for the 50-events of Backstroke, Breaststroke, or Butterfly. Any swimmer who qualifies for the 100 of a given stroke may also enter the corresponding 50 of that stroke. Entry limits will be enforced. Swimmers may not compete in more than three (3) individual events per day (including bonus events, 50s of Stroke, and time trials) or more than ten (10) individual events total during the meet, including time trials. Athletes will enter the 50 of Stroke using their fastest 100 of Stroke time achieved within the qualifying period. These events will be seeded in the same

manner as all other listed events (SCY, LCM, SCM). Entry into a 50 of Stroke event will not affect or reduce an athlete's bonus event eligibility.

Example:

An athlete qualifies in two (2) events: the 100 Backstroke and the 200 Freestyle. With two qualifying events, the athlete is eligible for two (2) bonus events that meet bonus standards. Because the athlete qualified in the 100 Backstroke, they may also enter the 50 Backstroke using their 100 Backstroke time. The athlete remains eligible for two (2) bonus events.

Please note: This exception to bonus event eligibility for a championship meet applies to the 2026 season only.
