

CRANSTON YMCA MARLINS SWIM TEAM PARENT'S CODE OF CONDUCT

The Cranston YMCA Marlins' Swim Team is fortunate to have highly experienced, professional coaches working to develop our children into better swimmers, and more importantly, teaching and instilling important life skills. These skills include time management, self-discipline, and sportsmanship. Your child will reap the benefits of swimming long after his/her participation with the Marlins ends. As parents, it is absolutely essential that we give our coaching staff the respect and authority they deserve to run our swim team.

Conduct Expected of All Parents

- Set the right example for our children by showing respect and common courtesies at all times to the team members, coaches, competitors, officials, parents, and for all facilities and other property used during practice or competition.
- Demonstrate good sportsmanship during all practices, competitions and team activities.
- Be an active participant in all fundraising events and other team activities and encourage and support your child by permitting them to be timely for practices and competitions.
- Recognize that the Cranston YMCA Marlins' coaches are professionals and allow them to coach your child without interference during workouts and meets, including not being present on deck during practice or competitions unless you are working at the meet. Parents will be allowed on deck at certain league meets in specified spectator areas only.
- If you have concerns, you will address it with the appropriate coach in private.
- Insist that your child refrain from using alcohol, tobacco, drugs, other prohibited substances, violence, abusive or foul language, inappropriate sexual conduct, or any other behavior deemed dishonest, discourteous, offensive or disrespectful of others.
