

EMERGENCY TEXTING SERVICE SIGN-UP INSTRUCTIONS

We are now using the GroupMe app to send mass text alerts. We plan to use this only in extremely urgent situations where e-mail simply isn't fast enough - like a practice cancellation due to weather or a pool outage. We encourage parents AND swimmers 13 & over to sign up so that we can reach you quickly if absolutely necessary. Please download the GroupMe app ([here for iPhone](#)) and use the links below for each practice group:

[Bronze](#)

[Silver](#)

[Gold](#)

[Varsity](#)

[National](#)

We have these groups set up to be "Announcements only", meaning these will be one-way messages. If you have questions, you will still need to text or email us individually.

Less time-sensitive communications and more lengthy communications will still come by email.
