ABUSE RISK MANAGEMENT FOR VOLUNTEERS

YMCA of Snohomish County

Welcome to the YMCA of Snohomish County online courses provided by Great Academy.
Annual training is an important part of our YMCA Risk Management Program, and regular training ensures that each YMCA volunteer has the same information on how to report suspected abuse and harassment. All volunteers at the YMCA can help prevent sexual abuse and harassment, even if they don't work with children.

The following course is required for all volunteers:

- **Abuse Risk Management for Volunteers** (online course takes approximately 25-45 minutes to complete)

You are welcome to take this course from home, and computers are available for use within your branch, please make arrangements with your YMCA volunteer contact if needed.
