

The Great Lakes Zone
Outstanding Swimmer
"Atkinson Scholarship Award"

This Award was established in 1991 by the Great Lakes Zone Swimming Committee to honor Paul Atkinson for his dedicated leadership in establishing this YMCA competitive aquatic program. During his career with the Young Men's Christian Association of 35 years he devoted over 30 of those years developing and promoting our Great Lakes Zone Championship, as we know it today. The intent of this award is to recognize a talented male and female from our Zone who has represented their YMCA with distinction. These individuals have been outstanding competitive swimmers and contributors to their YMCA, as well as being good students, active in the church and community, and all-around good citizens. These awards are presented each year at the Zone Championship Meet based on the nominations submitted by a YMCA Swim Coach, YMCA Aquatic Director, President of a YMCA Parents' Club or a YMCA Executive Director. Nomination Forms along with proper documentation is to be sent to Bill Whatley and received by February 15, 2015. After that date the selection committee will meet, review all nominations, and make their choice(s) for 2015.

Continuing Education Scholarship

In 2002, the Great Lakes Zone Swim Committee added to this award a **"Continuing Education Scholarship" stipend of \$750.00 for each recipient.** This scholarship money will be sent to the school (trade school, 2 year college, college or university) of their choice and may be used for tuition fees, room and board (only if living on campus), or books and supplies. This is a one-time grant and cannot be renewed. Guidelines for disbursement of these Scholarship Funds will be out-lined in a letter to each recipient at the 2015 Zone Championship meet at Oakland University.
