

Great Lake Zones Championship - 2014

Warm-ups are two sessions in each of the 10 lane pools. Essentially there are 40 warm-up lane opportunities, plus the 10 lanes in the diving well.

One pool is listed as competition (near the diving well), while the other is nearer the scoreboard.

We tried to balance the counts in lanes, but it's not perfect.

Smaller teams have open warm-ups in the diving well.

Using the blocks will be in both pools at the end of each warm-up session.

The North/Scoreboard pool will be available for warm-up / cool down during competition.

Have a great meet!

Session: 1 Friday Evening
