RULES:

The meet will run under Rules That Govern YMCA Competitive Sports, Swimming Addendum to the Rules That Govern YMCA Competitive Sports, and USA Swimming Technical Rules.

MEET FORMAT:

The meet will be swum using a Timed Finals format. A swimmer's age will be determined as of March 20, 2026.

All heats of the 500 Free will swim together but will be scored and awarded separately.

EVENT SEEDING:

Events will be pre-seeded, except the 500/1000/1650 Free and 800 Free Relay, which will be positive check-in and deck seeded. Should a swimmer need special consideration in seeding, please send a note to the meet hosts separate from your entry file. Seeding order is Short Course Yards (Y), then Long Course Meters (L) then Short Course Meters (S). Events will be seeded Slowest to Fastest except the 500/1000/1650 Freestyle and 800 Free Relay events which will be seeded Fastest to Slowest.

SCRATCH PROCEDURES:

An athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that

2026 GREAT LAKES ZONE CHAMPIONSHIP

MARCH 20, 21, 22, 2026

event still counts toward the athlete's total number of events for the meet.

DECLARED FALSE START:

An athlete may also withdraw from a heat by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

NO SHOW:

There will not be a penalty for an athlete who is seeded in an event and fails to compete (i.e., a "no show"). That event still counts toward the athlete's total number of events for the meet.

TIME TRIALS:

Time Trials will be offered 15 minutes after each MORNING session on Saturday and Sunday as time permits. Eligible swimmers must be 12 on the first day of 2026 YMCA Nationals and a 2026 YMCA Zone Meet participant to enter time trials. The fee will be \$25.00 per individual event and \$50.00 per relay. Swimmers must be attempting to achieve a YMCA National qualifying time. Swims in Time Trials do not count towards the daily 3 Individual Events limit but only 1 Time Trial event is allowed per swimmer per day.

Swimmers must supply 2 timers for time trials.

WARM-UP SAFETY PROCEDURES:

Each team's coach will be responsible for maintaining a safe warm-up for their swimmers. An approved coach must be on deck and observing their swimmers at all times while their swimmers are in the water.

Teams will be assigned lanes for warm-ups. Teams will need to share lane space and work cooperatively in reflection of the YMCA values and sportsmanship.

During designated warm up sessions, athletes may only enter the competition pools from the starting end. Athletes are expected to use a three-point entry in which they sit on the side of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm up periods when sprint lanes are designated for practicing racing starts.

STARTS:

'Fly-over' starts will be used at this meet. All swimmers (except for Backstroke) should remain in the water at the completion of their race until the next heat has begun.

SWIM-OFFS:

APPENDIX D: SAFE SPORT TRAINING FOR 18 & OVER ATHLETES

Safe Sport training, for athletes, 18 or older, must be completed. Please be sure your swimmers complete this training.

Below are the specific steps for 18 years of age or older athletes to access the Athlete Protection Training. You will need to create a USA Swimming Account first, as noted below: Go to <https://www.usaswimming.org/learn>.

Sign in by using your first name, last name, and date of birth. Signing in with this information automatically connects you to your USA Swimming account and will allow all your training to be tracked.

Your name and YMCA should pop up. If it does not, try typing in another name you go by.

1. Click "Continue"
2. Once you hit continue, you will be taken to your main page.
3. Scroll down until you see the "Athlete Protection Training" section.
4. If you are under 18 you will need to check the box that says you have parental consent to take the course.
5. Hit "Start"
6. If you have not made a USA Swimming Account, you will need to do so by entering your email, your LSC (Lake Erie Swimming) and your club (YMCA).
7. After creating an account, go back to the "Athlete Protection Training" section and hit "Start."
8. After hitting start, it will say you do not have any courses. Hit the "Courses" button.
9. Scroll down to "Safe Sport for Athletes" and hit "Add to Cart." This is a free course so it will not cost your parents anything.
10. Enter in all your information. Again, this is a FREE course. You will not need to pay for anything.
11. After you enter all your information, you are able to begin the course. You are able to take the course over multiple days and the website should save your progress.
12. After you complete the training take a picture or screenshot of your certificate and email it to your Coach.

Please direct any Safe Sport questions/concerns to the Meet Director or Meet Referee.
